

Father

I abandon myself to you.

Do with me as you will

Whatever you may do with me I thank you.

I am prepared for anything

I accept everything

provided your will is fulfilled in me and in all creatures and creation

I ask for nothing more

My God

i place my soul in your hands

i give it to you my God

With all the love of my heart

Because I love you

and for me it is necessity of love, this gift of myself,

this placing of myself in your hands without reserve

in boundless confidence, because you are my father

there is no use trying to fool you God

You know me too well

So when I'm all alone help me to see me like I am even if I don;t like it

Inside I want to do the right thing

and then when I'm with others I want to be seen as special

When I'm alone with you tonight

God help me see what you want me to be like
