

## **FRIENDSHIPS**

This is one of the best stories in the Bible on friendships. Jonathan was the son of King Saul. King Saul became jealous of David after David killed Goliath, and plotted to kill David. Jonathan found out about it and his friendship with David was put to the test.

*Jonathan made a covenant with David because he loved him as himself. Saul told his son Jonathan and all the attendants to kill David. But Jonathan was very fond of David and warned him, "My father Saul is looking for a chance to kill you. Be on your guard tomorrow morning; go into hiding and stay there. I will go out and stand with my father in the field where you are. I'll speak to him about you and will tell you what I find out. " Jonathan spoke well of David to Saul his father and said to him, "Let not the king do wrong to his servant David; he has not wronged you, and what he has done has benefited you greatly. He took his life in his hands when he killed the Philistine. The Lord won a great victory for all Israel, and you saw it and were glad. Why then would you do wrong to an innocent man like David by killing him for no reason?" Jonathan said to David, "Go in peace, for we have sworn friendship with each other in the name of the Lord, saying, 'The Lord is witness between you and me, and between your descendants and my descendants forever.' Samuel 18-20*
