

# Into The Fire

Bruce Springsteen

The sky was falling and streaked with blood  
I heard you calling me then you disappeared into the dust  
Up the stairs, into the fire  
Up the stairs, into the fire  
I need your kiss, but love and duty called you someplace higher  
Somewhere up the stairs, into the fire

May your strength give us strength  
May your hope give us hope

May your faith give us faith  
May your love give us love

May your strength give us strength  
May your hope give us hope

May your faith give us faith  
May your love bring us love

You gave your love to see, in fields of red and autumn brown  
You gave your love to me and lay your young body down  
Up the stairs, into the fire                      Up the stairs, into the fire  
I need you near, but love and duty called you someplace higher  
Somewhere up the stairs, into the fire

May your strength give us strength  
May your faith give us faith  
May your hope give us hope  
May your love give us love

May your strength give us strength  
May your faith give us faith  
May your hope give us hope  
May your love bring us love

May your strength give us strength  
May your faith give us faith  
May your hope give us hope  
May your love bring us love

It was dark, too dark to see, you held me in the light you gave  
You lay your hand on me  
Then walked into the darkness of your smoky grave  
Up the stairs, into the fire  
Up the stairs, into the fire  
I need your kiss, but love and duty called you someplace higher  
Somewhere up the stairs, into the fire

May your strength give us strength  
May your faith give us faith  
May your hope give us hope  
May your love bring us love...

May your love bring us love
