

TASK SHEET 3

(Do in groups of three)

The Rule Of Love

In the left column are several people Jesus helped. In the right column (A) try to place a person or type of person in today's world whose problems are similar to those of the person in the left column. Then (B) tell how you think Jesus would act toward this person.

Bible Person

Today's Person

1. **THE LEPER** was a terrible sight. His sores were repulsive. He was contagious and a danger to the rest of the people. For this reason he had to live apart and could have no contact with other people. Jesus cured lepers.

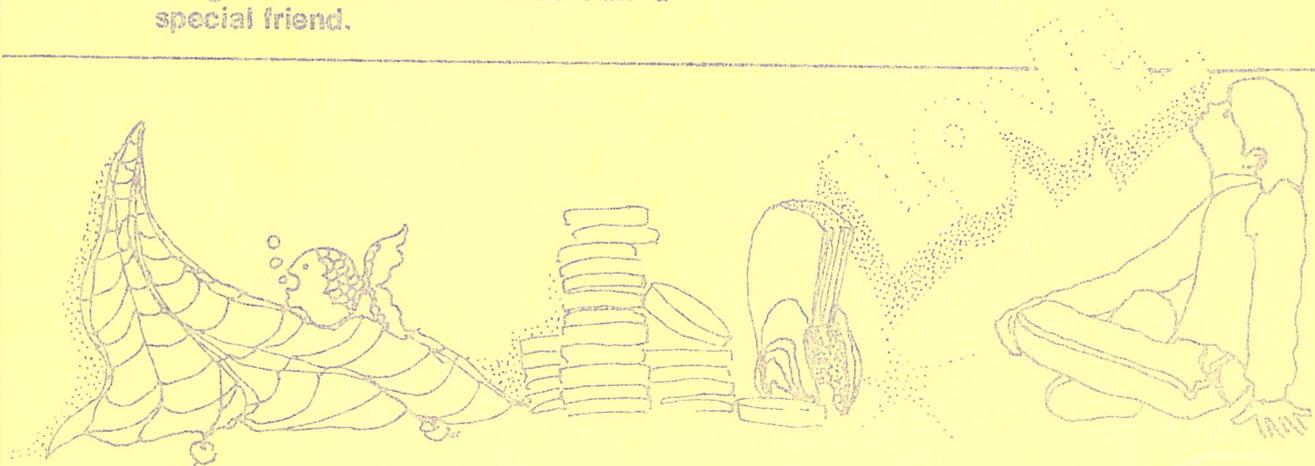

2. **MARY MAGDALEN** was a woman with a bad reputation. She was avoided by nice people and looked down upon as a public sinner. Jesus helped her and forgave her sins.

3. **PETER** was a simple fisherman. He also had a hot temper and easily lost it. Jesus befriended Peter and asked him to become a leader in the church.

4. **JUDAS** was a sneak. He loved money more than he loved people. Jesus made him a friend and allowed his betrayal to happen. Jesus never hated him.

5. **THE CENTURION** was a national enemy. All Jews were afraid of him. Jesus loved him and cured his servant.

6. **MATTHEW** was a tax collector, a job that was outside the Jewish law. He was hated and looked down upon by all good Jews. Jesus made him a special friend.
