

## BEAUTIFUL PEOPLE

Beautiful People you live in the same world as I do but somehow I never noticed you before today I'm ashamed to say Beautiful People we share the same back door and it isn't right we never met before but then we may never meet again if I wasn't afraid that you'd laugh at me I would run and take hold of your hand and I'd gather everyone together for a day and when we'er gathered I'd pass buttons out that say Beautiful People. Then you'll never be alone cause there'll always be some one with the same button on as you, include him in everything you do. Beautiful People you ride the same subway as I do every morning, that's got to tell you something we have so much in common, I go the same direction as you do. So if you take care of me maybe I'll take care of you. Beautiful People you look like friends of mine and it's about time that someone said it here and now I take a vow that someday somehow We'll have a meeting invite everyone you know and we'll pass out buttons for the ones who come to show Beautiful People never have to be alone cause there'll always be someone with the same button on as you. Include him in everything you do he may be sitting right next to you, he may be a Beautiful People too. And if you take care of him now maybe he'll take care of you cause all of the Beautiful People do. And you're all Beautiful People, too.
