

# ROSES FROM JESUS

---

Just before Valentine's Day we go to a local supermarket and purchase assorted roses.

On Valentine's morning we deliver an arrangement of four long-stemmed roses to the porch of every girl in our ministry—or we sometimes deliver them to schools that allow it. We attach a note that reads: “Dear (name), you are beautiful on the inside and out. You're fearfully and wonderfully made. I love you and will never let you go! Forever Yours, Jesus.”

Our girls are profoundly impacted by this simple act. It lifts their self-esteem and it's relatively cheap!
