

**SELF EXAMINATION**

1 Corinthians 13 is probably the best known chapter in the Bible ... and the most difficult to live. Rank yourself from 1 to 10—1 being very low and 10 being very high—on each of the statements in verses 4-6

**Love is patient.** (I don't flare up when things don't go my way; I don't take out my frustrations on my friends or family.)  
1 2 3 4 5 6 7 8 9 10

**Love is kind.** (I am considerate of people's feelings; I try to understand when others are having a bad day; I show appreciation.)  
1 2 3 4 5 6 7 8 9 10

**Love envies no one.** (I am not jealous of those who are more talented than I, and do not pick flaws in people when I am set aside.)  
1 2 3 4 5 6 7 8 9 10

**Love is not rude.** (I do not get nasty when I don't get my way, or lash out with crude remarks to "get back" at those I love.)  
1 2 3 4 5 6 7 8 9 10

**Love is not selfish.** (I don't have to have my own way to feel important; I try to see things from others' points of view—especially with those I love.)  
1 2 3 4 5 6 7 8 9 10

**Love is not quick to take offense.** (I am not touchy or temperamental; I don't get defensive when someone tries to correct me at home.)  
1 2 3 4 5 6 7 8 9 10

**Love keeps no score of wrongs.** (I am quick to forgive, and I don't bring up the past or the shortcomings of those I love.)  
1 2 3 4 5 6 7 8 9 10

**Love doesn't gloat over other persons' sins.** (I don't secretly rejoice when someone else makes a mistake, or put down those I love with "I told you so.")  
1 2 3 4 5 6 7 8 9 10

**Love delights in the truth.** (I am not thinking that my friends should take this test "because they need it more than I do.")
