## Life is all about love.

**Because God is love, the most important lesson He wants me to learn on earth is how to love and so the best use of life is love. Life without love is really worthless because only love lasts forever. How I treat people is the only thing I will do on earth that endures. It's not what I do, but how much love I put into the doing that matters. Love is the only thing God will care about when I enter eternity. My character is the only thing I take with me.**

**Faith expressing itself in love.**

**Learning to love unselfishly is not easy. The best expression of love is time. T-I-M-E is the best way to spell love & is always a measure of how important something is to me. Focused attention is the most desired gift of love- being present to someone, "I sacrifice myself now for you."**

**The best use of life is love, the best expression of love is time & the best time to love is now.**

**The entire law is summed up in a single command: "Love your neighbor as yourself." *Galatians 5:14***

**Honestly, are relationships my first priority?  
How can I make sure that they are?**
