

Happy Mothers day

Lord,I ask You to bless all my friends who are Mothers with the gift of Your love this Mother's Day.

May they be honored in word and deed, and may their children to do the same.

On this beautiful day, I thank you for Mother Mary. May we honor her, draw close to her, and help her bring Jesus' kingdom to earth.

Through Mary's intercession, may all Mothers be blessed today and every day, for they are truly an awesome gift and part of your perfect plan of creation! Amen.

The loveliest masterpiece of the heart of God is the heart of a mother.
