

"Your Dream Can Be A Reality!"

(I hear people still see heaven
in the moments before sleep
And their hope comes in the knowing
That this dream they cannot keep....
Until they pass it on.)

You know the reason why some night
you don't have a dream?
When there's just blackness?
And total silence?

Well, this is the reason:
It's because on that night
you are in somebody else's dream.
And this is the reason you can't
be in your own dream because
you're already busy
in somebody else's dream.

DREAMS CAN TELL YOUR FUTURE

/ Dreams . . . Hold fast to dreams, for if dreams die, life is a broken winged bird that cannot fly.
