

BORED

My Dear Child,

**If you are bored, you must have lost your perspective.
Or you just haven't found your mission yet.**

**If you are ever bored you have forgotten what a gift I
have given to you in life itself.**

**To be a human being, to be able to live in a body and
creatively express love in a physical reality is the
adventure of a lifetime and a privilege beyond
measure.**

**Get off your butt and develop a talent I gave you ,
share it, love someone.**

**If you are not passionately living your life then
something must be wrong with how you are looking
at your life.**

**Life is a gift, and it is meant to be lived with passion.
I made you to take after me; and I NEVER tire of
creating.**

**You don't know how long you will be in this world-
make the most of it.**

**Pray & let me guide you to what it is that you were
created for so that you can jump into that mission,
the way I made you to.**

**Remember that I chose YOU
when I planned all of creation!**

Love Always, Your Dad, Almighty God
