

# **Giftedness**

Fill in the lid of the box your greatest gift. Color with a corresponding color. In the left section of the box, fill in things you are good at doing. On the three vertical lines, fill in three results of your greatest gift. In the right section of the box, fill in what you find nourishing from others. In the arrow, fill in the nicest thing you ever did for someone else. Color the arrow yellow and inside box creatively!
