

## My View of Work

Read each of these statements. If you agree with a statement, mark it **A**; if you disagree with it, mark it **D**.

- ☐ The more power and influence people have in their jobs, the happier they will be.
- ☐ Becoming very wealthy is the most important reason for working hard.
- ☐ People would be willing to work harder for less pay if it meant making a better world for others.
- ☐ Working to get ahead often means that people have to push others aside.
- ☐ Each person has a unique contribution to make to the world of the future.

👉 What other things do you believe about work?

👉 How will your beliefs about work help you choose a career?

## My View of Myself

Read these statements and possible endings. Complete each statement by ranking the possible endings according to how well they describe you. In each set mark **1** the best ending to describe you, **2** the next best, and so on.

I see myself as:

- ☐ an idea person.
- ☐ a decision maker.
- ☐ a religious, or spirit-filled, person.

You could describe me as:

- ☐ hopeful.
- ☐ pessimistic.
- ☐ upbeat.

Most of the time I feel that:

- ☐ I am not popular with others.
- ☐ I am attractive to others.
- ☐ I get along okay with others.
- ☐ I try to help others.

Imagine what you and your world will be like ten years from now. Then respond to the following questions:

👉 What sort of person do you hope to be at age twenty-one?

👉 What sort of relationships do you hope to have at that time?

👉 What upsets you about the future you have imagined? What would you change? How would you try to make those changes?
