

Hands and Feet

Audio Adrenaline

An image flashed across my TV screen
Another broken heart comes in to view
I saw the pain and I turned my back
Why can't I do the things I want to?
I'm willing yet I'm so afraid
You give me strength
When I say

CHORUS:

I want to be Your hands
I want to be Your feet
I'll go where You send me
I'll go where You send me

REPEAT

And I try, yeah I try
To touch the world like You touched my life
And I find my way
To be Your hands

I've abandoned every selfish thought
I've surrendered every thing I've got
You can have everything I am
And perfect everything I'm not
I'm willing, I'm not afraid
You give me strength
When I say
CHORUS

This is the last time
I turned my back on You
From now on, I'll go so
Send me where You want me to
I finally have a mission
I promise I'll complete
I don't need excuses
When I am Your hands and feet
