

There is nothing
That can replicate God
His Grace expands
Far greater
Than the reaches of the universe
This tiny planet
With all its natural treasures
Is little
To the wonders of His Word
Yet the God that created it
Died down upon it
For the sake of all.

There is nothing
That can replicate God
His Grace expands
Far greater
Than the reaches of the universe
This tiny planet
With all its natural treasures
Is little
To the wonders of His Word
Yet the God that created it
Died down upon it
For the sake of all.

There is nothing
That can replicate God
His Grace expands
Far greater
Than the reaches of the universe
This tiny planet
With all its natural treasures
Is little
To the wonders of His Word
Yet the God that created it
Died down upon it
For the sake of all.

There is nothing
That can replicate God
His Grace expands
Far greater
Than the reaches of the universe
This tiny planet
With all its natural treasures
Is little
To the wonders of His Word
Yet the God that created it
Died down upon it
For the sake of all.
