

HOW GOD SEES ME

Each person is asked to take a sheet of newsprint and on one side draw pictures, cartoons, or sayings expressing "How I See God." The other side is to be filled with symbols expressing "How I Think God Sees Me." Allow 20 to 25 minutes to complete. After everyone is finished, each person should explain her drawing to the entire group. This exercise opens a group up to sharing where each one stands with God at present and demonstrates the varying facets of an individual's experience with God.
