

Jesus went through many experiences in His journey to the cross and resurrection. Where are you on the journey with Him?

1. Are you in the Garden of Gethsemane – alone – abandoned  
By your friends? He knows your suffering. Let Him know  
How you feel.
2. Are you carrying a heavy burden for someone – or are you  
Carrying yourself? He knows your stress. Let Him help  
You. He carried everything first for you.
3. Are you afraid you're just not getting anywhere with Jesus –  
Prayer – life? He knows how life can place obstacles in our  
Way. He was frustrated by people, places and things at times,  
Too. Look at Him ... listen to Him and He will show you the  
Way out.
4. Are you feeling so filled and over-joyed inside but have no  
One to share it with? He felt this way, too. So many times  
People were too tied up with their own "stuff" to notice Him.  
Turn to Him now if you are looking for someone to share  
With. He's there with you and wants you to share it with Him.
5. Are you need a break from the daily routine and unable to  
Hear Him calling you to go away for a little while with Him?  
Don't wait ... when He calls, although He is full of patience,  
He wants so much to tell you wonderful things and give you  
Rest.
6. Are you in a tomb? Locked up tight inside yourself? Unable  
To breathe or relax and enjoy the Light? Let Him unbind you  
Free you with His Word – His Word IS LIFE!
